We source grapes from some of the best vineyards in Oregon and work closely with the growers to achieve the best possible quality at harvest time. The grapes are hand picked, meticulously sorted and fermented in small lots with native yeasts to bring out the fullest expression of the terroir and encourage a supple, silky texture. We add as little as possible to the wine and age it using a minimum of new French oak to maintain focus on the fruit. The Winemaker Cuvée is a blend of my favorite barrels from any given vintage. — Pam Walden WILLFUL WINE COMPANY BOTTLED BY DAEDALUS CELLARS MCMINNVILLE, OREGON GOVERNMENT WARNING: (1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. The 2015 Winemaker Cuvee Pinot Noir is a blend of 7 barrels that were the very best that the vintage had to offer: 4 barrels of Pommard clone Pinot Noir from the Southeast block of Northridge Vineyard in the Eola-Amity hills, two barrels of Pommard from Kelley Family Vineyard in the Dundee Hills, and one barrel of 828-clone pinot from Lia's Vineyard in the Chehalem Mountain AVA. After a two week cold soak, the wine was fermented using native yeasts and aged in French oak for eighteen months.

2015 was a warm vintage and this wine has lush fruit and sufficient tannins, but it also has good acidity and balance. This is a vintage that you can enjoy now but also has the potential to age for several years.
