

Jezebel is the easygoing sister to Willful Wine Co. The Jezebel wines are produced with the intent of providing wine that is well-balanced and interesting and designed for immediate consumption.

The 2019 vintage of Jezebel Pinot Noir is 100% Willamette Valley fruit from various AVAs: Chehalem Mountain (55%), Yamhill Carlton (33%), Dundee (7%), Eola Hills (3%) and Ribbon Ridge (2%). The fruit was cropped around two to three tons per acre, carefully tended by hand and fermented in small lots with a variety of yeasts that were chosen to bring out the fullest expression of the fruit and create a wine that will be pleasurable to drink young. The finished blend is a wine that is fruit-forward and well balanced: enjoyable with a variety of foods, or in a glass all by itself. 2019 was an easy going vintage. The wine has bright red fruit flavors, medium weight, supple texture and an easy to drink appeal. It's very versatile with food and pairs especially well with roast chicken and pork. (2250, 12-pack cases produced)
