

Jezebel is the easygoing sister to Willful Wine. The Jezebel wines are produced with the intent of providing wine that is well balanced and interesting and designed for immediate consumption.

The Jezebel Blanc is a blend of Pinot Gris, Riesling, Gewurztraminer and a touch of Muscat,

It has floral, fruity aromatics and tropical fruit flavors and is just a little off-dry (0.7% RS). It is great by itself as a refreshing aperitif or porch wine but will also pair well with seafood and spicy foods.

580 cases produced (12-pack/750ml)
