OREGON

will•ful (adj): determined; pertinacious; unruly; wild

Willful Wines strive to be authentic and true to their roots. We work with some of the best vineyards in Oregon and use minimal intervention winemaking to produce the fullest expression of their terroir.

Carefully managed grapes were fermented in small lots with partial whole clusters and aged for 11 months in French oak. Spicy berry flavors are complimented by secondary flavors of cedar and liquorice. Pair this wine with aged hard cheese, lamb, steak, or a hearty pasta dish.

50% Merlot and 50% Tempranillo from southern Oregon. The grapes were fermented separately with yeasts selected to accentuate the fruit and earthy tannins. The wine was aged in a combination of one-year-old and neutral French oak barrels for eleven months and bottled in October 2021.

This wine has lovely cassis and blackberry fruit and spice on the palate with bright acidity and earthy, balanced tannins. It is enjoyable now but should cellar well for at least ten years.

13.3% ABV; 5.9g/L TA; pH 3.62; 197 cases bottled.
